## Coleman Rodeo Committee Showing Great Progress

The Coleman Rodeo Committee have just about completed the entire plans for the Rodeo being held in Coleman on July 9. Parade Marshal Corson states that this year's parade will be the longest in Coleman's history with over 20 floats entered to date. Numerous displays, bands, plus all the other things that go to make up a parade are coming in every day. Floats from out of town which promise stiff competition are Sicks Lethbridge Brewery, Terminal Garage, Fort Melech Knights Lumber Co., Blairmore Sawmills, Bode's Mills and many others. Due to the inability of Mr. Frank Hartquill of Coleman Collieries to officially open the Rodeo, the committee will contact Mayor Shackelford of Lethbridge to do these duties. Mayor Grey of Blairmore will

also be in attendance. Mayor Abousaffy of Coleman will present the scrolls to the senior citizens at the Park after the parade.

The Rodeo committee will give complimentary tickets to the Rodeo to all of Coleman's Senior citizens who have been in Alberta 50 years.

Mr. J. R. Hill stated that bands were coming from Cranbrook and other centers and it was hoped to have at least seven bands in attendance. He also stated that the Coleman Pipe Band would be sponsored by the Board of Trade to attend the July 1 parade in Natal and Michel, B.C. Anyone wishing to enter any of the events please contact Mr. Hill or Mr. Wilkie. Watch next week for the big rodeo and jubilee issue for all plans pertaining to the Rodeo.

## Spencer Dunford Operation Fund Sponsored by Legion

Spencer Dunford, age 10, the son of Mr. and Mrs. Gordon Dunford left Wednesday for Rochester, New York, where he will undergo a rare congenital heart operation early in July. Spencer was examined four years ago by doctors at Rochester, but at that time the operation was only in the experimental stage, and could not be attempted at that time. Dr. J. W. DuShane of the Mayo Clinic feels that the operation can be done successfully and his sent for Spencer to come immediately. Spencer was born with this heart condition, which is a malformed heart, his life span will be very short if this operation is not performed in the immediate future. The cost of this operation is over \$1,100.00 not including doctors' fees and living accommodation or transportation cost for his parents who must accompany him. Numerous offers of assistance have been offered and the Canadian Legion of Coleman will undertake to collect any and all donations to the worthwhile fund. President John Kulig stated today. Make all cheques payable to the Dunford Operation Fund. Your cash donations will be receipted as received. The Canadian Legion urgently requests every one who hears of this appeal to donate now. A life is at stake, the parents of Spencer have expended everything that they have, **HELP THEM SAVE THEIR BOY.** Get behind this fund to the limit, a life is precious.

## Council Approves New Business Tax By-law

At the last regular meeting of the Coleman Town Council, a new business tax structure was approved. This tax by-law will be known as Business tax. This By-law will cover every business, corporation and professional people who operate in the town of Coleman. Another by-law was approved on the setting aside the sum \$150.00 for grants.

Considerable discussion took place in regards to the purchase of an asphalt mixer to replace the one now in use by the works dept. inasmuch as the present one was obsolete and inadequate to perform the work required. Council were of the opinion that one offered for sale by the City of Lethbridge should be purchased, if it was found to be satisfactory. This machine it was stated would be a great improvement over the existing equipment now owned by the town. Council members felt that with the purchase of this machine more work could be done in less time and with a considerable saving to the town. The capacity of the equipment was over twice as much as existing equipment and as it preheated all materials before laying work could be done even in cold weather.

A request from Parade Marshal Corson for the Town to enter a float in the parade being held on July 9 was approved. With no further business on hand at this time council adjourned.

## Junior and Senior Students Present Going Away Gift to Teacher

A social evening in honor of Ray Spillers was held in the Coleman High School Auditorium on Thursday, June ninth, with over two hundred students of the Coleman Junior and Senior High in attendance.

A delightful programme consisting of dancing, singing and plays highlighted a very enjoyable evening.

The guest of honor, Mr. Spillers, received a handsome 23 jewel Bulova wrist watch from the students.

John Kratyk, president of Coleman Junior High, and Kent Foster, Treasurer of Coleman Senior High, praised Mr. Spillers for his untiring efforts on their behalf and expressed their regret at his resignation from the Coleman staff, but wished him success in his future surroundings.

Mr. Spillers expressed his thanks to the students for their generous gift and mentioned that it had been a privilege to have been associated with them as a staff member for the past twenty-two and a half years.

Mr. Allen, Principal of Coleman Schools, thanked the students for their excellent gesture in honoring Mr. Spillers, and he paid tribute to the guest of honor for his contributions to the school. In closing, he wished Mr. Spillers success and happiness in his new surroundings.

The enjoyable social evening came to a close with the singing of "Alma Mater" and "God Save the Queen".

## Board of Trade To Honor Riding Club from Cranbrook

The Coleman Board of Trade will honor a Cranbrook riding club who will pass through Coleman on its way to the Calgary Stampede. Over 200 riders of this club will be met by Mayor F. Abousaffy, Adam Wilson, Bill Fraser and Jim Wilkie along with W. Holyk as they enter Coleman. They will be escorted to the park and served a lunch and then escorted out of town. It is not known if they will travel over the Kananaskis Highway or by No. 3 highway. Mr. Wilson stated that he had received a telephone call from this club in which they had stated that they had been advised not to travel the Kananaskis road but to follow No. 3 and they wondered if there was still travel restrictions on the Kananaskis road. The Board would attempt to have this matter clarified.

## Sports Assn. Makes Presentation To Mr. Ray Spillers at Trade Bd. Meeting

Mr. George Jenkins, President of the Coleman Sports Association, presented Mr. Ray Spillers with a McBride club bag at the Board of Trade supper meeting on behalf of the Sports Assn. Mr. Spillers who leaves Coleman at the end of June will reside in the Dawson Creek area. Mr. Jenkins stated that Ray was one of the oldest members on the Sports Association, and had been with it since its inauguration. He had been its rink manager, one of the very best workers, had managed many hockey teams and whenever there was work to be done Ray was Always There, with no remuneration what so ever to himself. The Sports Assn and the town in general was losing a very valuable member, that the best wishes of us all go with you Ray and we hope that you will always remember us.

Mr. Spillers in response stated "These are one of the occasions when even a school teacher finds it hard to say very much. I have known Mr. Jenkins for a long time and that through his efforts along with other members of the Assn and the Board of Trade Coleman was very fortunate in having sports facilities of the present nature. That his reason for leaving was his health which was of a serious importance, that it had been an honor to be with the people of Coleman and especially on the teaching staff in our schools for 22 1/2 years. That if in the past I have helped in the making of a better Coleman that it was just one of a schoolteachers duties. To those who have played the game it has been my pleasure to be a teacher, and as they say in the Remembrance Day Service "We Shall Remember Them." I say I

shall remember them, each and every one."

Mayor Frank Abousaffy spoke on behalf of the Board of Trade in which he stated "Mr. Spillers was a very rare citizen, one who you don't always find, I never thought that what I would have to say would be inadequate but I find myself at a loss for words. That the new Athletic Assn., that had been formed was not to take Ray's place but to carry on his efforts, that Ray had worked over twenty years for the community efforts of Coleman, that more service and time could not have been given by anyone. It is with deepest regrets I say good-bye for all of us who love and respect him. We wish Ray the very best in all his endeavors.

Mr. J. R. Hill spoke for the Rodeo committee and in saying "Without Ray's consistent help in the forming of charts, time tables and the numerous other details required in handling Rodeo affairs the committee would have been lost. That he certainly would be missed by all, and the committee this year would be left with a note of sadness with no Ray in their ranks."

Mr. Hill expressed the feelings of all present when he stated Ray will always be remembered by the people of Coleman and to the children who had passed through his capable tutorage.

Mr. Spillers expressed his sincere thanks for the wonderful things said about him and that he would assist to the best of his ability in the setting up of charts for the forthcoming Rodeo, he assured Mr. Hill that he was free to call upon him for help as long as he was there.

## Coleman Resident Passes Suddenly

Asa passed suddenly upon June 29th in the beverage room of the Coleman Hotel on Tuesday morning.

Born in Rumania deceased came to Canada in 1910. He was employed at the McGillivray mine for some time. He also ran a small dairy farm at Corbin, B.C. for a few years. He also worked in the coal mines at Drumheller and Hillcrest. He retired from active work in the mine in 1950.

Surviving besides his wife Olga in Fernie, B.C. are two sons, William of Calgary and Nicholas of East Coulee, one daughter Mrs. H. Latka of Natal, B.C., five grandchildren and one brother Joseph in Niagara Falls, Ontario.

## Grand Union Coffee Shop Undergoes Extensive Remodelling

The Grand Union Coffee Shop has this week undergone extensive remodelling. With a wide vision window in front and a full vision window installed from the lobby this will make the coffee shop one of the most modern in The Pass. With new hours to be open it will supply to our many travellers plus the townspeople a much needed accommodation. Mr. Wilson, the manager states that there is more work to be done and he hopes to have this done in the very near future.

Canada contains the only large stock of coniferous trees — (cone-bearing or so-called "evergreens") — in the British Commonwealth and Empire.

## Jubilee Committee Complete Plans for July 9th Celebration

Mr. G. Jenkins, chairman of the Jubilee Committee stated that Scrolls for Coleman's Alberta Senior Citizens would be presented at the new Town park and playground following the parade on July 9. The meeting was informed that the Willow Drive Community Association have joined the town of Coleman in the Jubilee celebration. It was expected that Earl Coleman would also join in the celebration.

Over \$490.00 has been received from the provincial government, as its grant to the town for the Jubilee. All of the monies received will be spent on the park improvements. The Lions Club have spent considerable time and money in assisting the town to improve the park. Mr. M. Dunford, president of the Lions Club stated that they hoped to have the children's playground finished for the opening on July 9.

A question arose when it was stated that there was a possibility that the Alberta Golden Jubilee Caravan could be obtained for the Celebration. Mr. Crippen asked if the Caravan was obtained, where would it be parked. If it was to be in the park for all to see or would it be taken to the Rodeo grounds and if it was taken to the grounds where admission would be charged he was opposed. He stated that he

felt that there was some confusion as to the Rodeo and the Golden Jubilee Celebration and that he did not wish to see the Rodeo overshadow the Jubilee. After some discussion Chairman G. Jenkins outlined to the meeting that it was not the wish of the committee to deprive anyone from seeing this Caravan if it was possible to have it here for this day and that there was no confusion in regards to the Rodeo and Jubilee as they felt that this was the appropriate time to hold the Jubilee Celebration in as much as practically everyone in the town would be out on that day. Also, that all of the Alberta Golden Jubilee Senior Citizens would be taken to the park right after the parade and presented with their scrolls. Mr. Crippen accepted the chairman's explanation and felt that this explanation would definitely satisfy all concerned.

The question of a float was raised and it was decided to obtain a truck or semi-trailer float-bed and have it decorated and that all the Senior Citizens would be seated on it. G. Jenkins was appointed to look after the float assisted by members of the committee. If another meeting was required to iron out further details it would be held.

## Board of Trade Sponsor Campaign "Get Out and Vote"

At the regular supper meeting held in the Gr and Union banquet room on Thursday, June 23, with a goodly number in attendance, it was decided to sponsor a GET OUT AND VOTE campaign for the forthcoming provincial election being held on June 29. A letter was read from the Alberta Chamber of Commerce requesting all boards to urge citizens to vote. Mayor Frank Abousaffy urged all members to support this effort and suggested that the public address system be used. It was also suggested that all citizens having telephones be phoned requesting them to get out and vote. Appointed to handle this campaign were R. Crippen, J. Owen, H. Nelson and R. Yeliga.

Mayor Frank Abousaffy informed the meeting that he had been in contact with Mr. F. J. Lote of the National Employment Service and that Mr. Lote had informed him that 15 unemployed miners were needed immediately for work on the Forestry Department and that another program was receiving careful consideration. At this point the board members voted a very hearty vote of appreciation to Mr. Lote for his untiring efforts on behalf of the Coleman unemployed and for his efforts in general to the people of the Crow's Nest Pass area. A letter would be sent to Mr. Lote stating the board's appreciation.

In regards to the picnic shelter, Mr. O. Celli stated that the work was just about completed but that there was not sufficient money left to complete restrooms. Mr. G. Taggart of the Blairmore Sawmills rectified this matter in short order by stating that he would donate the restroom material. Mr. Adam Wilson was not to be outdone, he stated that he would donate the restroom supplies for this year. They were **heartily thanked by all members.**

Mr. W. Holyk, Board President, stated that he had welcomed the first user of the picnic shelter, a Mr. and Mrs. Reed and son of Calgary. The Reeds expressed their appreciation of the facilities provided in the park and hoped to be able to use it again. Mr. Holyk stated that there had been other users since then. The question of signs pointing out the park facilities was capably handled by Mr. Joe Hanrahan of the D. P. W.

A letter from the C. N. P. Tourist Association, requesting financial assistance was read and members, after hearing reports on the efforts being put out by the association decided to donate \$25.

One out of town member stated that it had been told to him that Coleman was considered top town in the Pass in as much as Coleman was always being progressive in community affairs.

With no other business in regards to Board of Trade, members decided that there should be no meetings in the months of July and August.

With presentations and the Rodeo Committee meeting to follow immediately, the regular meeting adjourned.

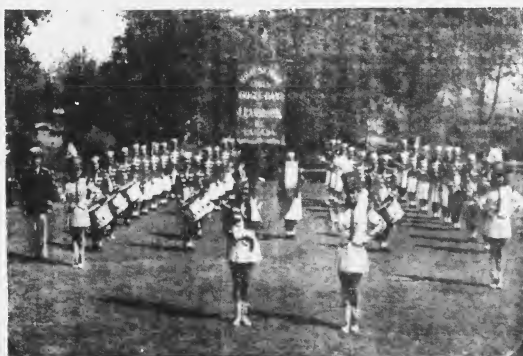

## Blairmore Lions Win Award

BLAIRMORE — The Blairmore Lions Club are very pleased at winning Radio Station CPAC's weekly award for being one of the most active and aggressive service clubs in Alberta.

The award was announced over CPAC's "State Your Case" program which is on the air Friday nights. The \$25 accompanying the award will be used for the Blairmore Lions "Frank Leavitt Memorial Fund."

Don't forget Coleman's 9th annual Rodeo to be held on Saturday, July 9th.

**LONG STORY**—Sixty inches and 32 pounds of sturgeon will be a conversation piece for many winter evenings to come for Gary Booth, left, and Edwin Hyalko, of Wisconsin Dells, Wis. The 13-year-old Explorer Scouts now can add an authentic fish story to their other lore, have already come up with one about the "one that got away"—a Jonah that towed their boat along the Wisconsin river for 20 minutes before breaking a 40-pound test line.

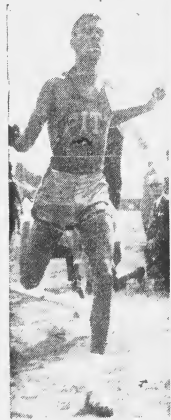

**THIS SPOOL SHAPED** 67-foot-high structure is the base of a giant steel and concrete lighthouse which will be towed down the St. Lawrence river from Quebec to the mouth of the Saguenay river. A three-storey house will be added to the base. The structure will replace a lighthouse now in use.

**U.S. NAVY RECRUIT** inherits a fortune—Francis Nido, 34, of Great Lakes, Ill., who has been notified that on his 21st birthday he will inherit the \$500,000 estate of his grandfather, a Syrian immigrant who died in 1947. Nido now receives \$78 a month.

**SHARP WORDS IN BELGRADE**—Nikita S. Khrushchev, right, Russia's Communist Party leader, speaks to James W. Riddleberger, centre, U.S. Ambassador to Yugoslavia, during a dinner in Belgrade. At left is an interpreter. Envoy's replies were sharp and uncompromising.

**FAST FELLOW**—Arnie Sowell, the Pittsburgh flier, is seen setting a record for the 880-yard run at the IC-4A Games recently at New York. Arnie's time was 1:49.1. He is hailed by experts as one of the smoothest runners America ever had and sure-fire star for next Olympic Games.

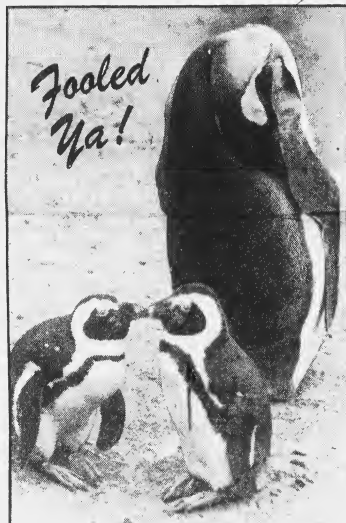

**KEY TO THE SITUATION**—Marion Merton holds out the key to the apartment at 4755 Ridgevale in which she was locked for 30 minutes when her mother accidentally locked herself out. Firemen came to the rescue.

**GOVERNOR GENERAL VINCENT MASSEY** reviews a guard of honor at Bishop's College school in Lennoxville, Que. Escorting him are Cadet Major Jean Millette and C. L. Ogden Glass, headmaster. Mr. Massey has been touring the Eastern Quebec townships.

**FEWRY** ex-ballet dancer Leona Davis lost her battle to save a home for her three dogs and three robin eggs. Told to give up her house near Chicago a year ago because the land was needed for a spur railroad, the 22-year-old divorcee refused to budge and at one time drove off the lot with a model. But recently she was bodily evicted, her home dented with oil and buried to the ground.

**FOOLED YOU, TOO**—These two Blackfoot penguins at the zoo in London, England, are slipping in a little beaking despite presence of the King penguin. But if you think that the big fellow is flouting his head in haughtiness at such gong-on, take another, and closer look. The King's white vest shows that he's actually turned in the opposite direction. He's just taking a nap.

**MAMALESS MEAL** This little piggy is going to market, but weaned on a new, dry-mal diet not until long after he's been developed by Petrus J. Geertling, who is holding him. The Chicagoan says that feed tubs pictured represent sufficient food to wean one piglet, could increase pork production by 25 percent at less cost than usual weaning methods.

**JUTE SUIT**—There's something in those burlap bags besides oats, fashion designers have discovered. Sport Jacket, at right, and cocktail dress are both woven of jute, the plant fibre from which burlap is made. Recently modeled at the Pakistan Embassy in Washington, D.C., from American and Canadian designs, the creations are Pakistan's bid for a new outlet for jute, of which she produces 74 percent of the world's supply.

## OUR COMPLETE SHORT STORY—

## Circus parade

By CHARLES DORIAN

GALA was the day when the colossal circus parade came along the city's main street (led by the steam calliope. People were warned to leave their cars at home and walk to vantage points. The warning went unheeded by many.

One big sedan stopped halfway between streets to let off a good-looking woman dressed in a grey ensemble. The driver, a middle-aged man in tuxed suit, said to her as she alighted:

"Just walk along for two blocks and a half and you will be very close to your seat. I'll turn up this next street and look for a place to park the car. Then I'll join you."

"All right, I'll hold your seat for you," she replied.

She beat him to the corner because of the traffic jam. As she stepped down from the high curb she slipped and fell in a heap on the pavement. The man had just started to enter that street, calculating the time after she had crossed. Now he jammed on the brake. She recovered her balance quickly. He spoke through the open window:

"Are you hurt?"

"No, I'm all right," she said, adjusting her hat.

An angular fellow came up to her and tipped his hat.

"Madam," he said, "I saw the whole thing. It's lucky you

weren't killed. Probably severely bruised at that, to say nothing of the humiliation and the damage to your clothes. You should sue this reckless driver!"

The lady looked disturbed. "Oh, I wouldn't do that," she exclaimed.

"Here, officer," the man beckoned the director of traffic. "That driver knocked down this pedestrian as she was crossing the street. How about it?"

"I have his number," said the policeman, writing in his book. "Your name, sir," he asked the driver, deferentially.

"Devlin," said the man, palpably shaken by this turn of events. "James Devlin, 545 Riverside Avenue."

"And yours?" he asked the lady.

"Nettie Melvers," she replied, with a twinkle in her blue eyes as she flashed a signal to her late companion. "The address is 543 Riverside."

"Oh, neighbors, eh?" cut in the tall man. "Here's my card, Miss Melvers. My name is O'See. I specialize in automobile accident cases. I'll call tomorrow morning and bring, my brief of the case for your approval. He lowered his voice and leaned over to whisper: "Better affect a limp as you walk away."

The man in the car recovered his composure, and as he turned the corner, grinned at the officer and the crowd which had assembled. He was confident that even a crooked lawyer could not get very far in making a "case" out of that incident.

Next morning O'See was on hand at 543 Riverside. It was a spacious property with a lovely garden. The cottage was cozy looking in its beautiful setting. Nettie herself answered the doorbell.

"Ah, good morning, Miss Melvers. Feel a bit shaken up, don't you? I'd expected you'd be in bed suffering from shock. Now, there's no reason why you cannot claim a thousand dollars for injuries sustained, plus the humiliation and damage to your clothes. It is my guess that Mr. Devlin will be glad to settle out of court. He has a wife and family, I take it."

"He has a wife but no family, and I doubt very much if he will settle out of court. He is a fighting man," she assayed.

"No need to worry about that. You're a fighting woman, too. And O'See is a fighting lawyer. Did you see the parade all right?"

"Oh, yes. We had a splendid seat in the bleachers they erected for the occasion."

"Too bad. You see if you hadn't seen it as you had set out to do, we might have added that in the claim for damages."

"Mr. Devlin did not see it," she volunteered, significantly. "It took so long to get his car parked."

"Hm! So you've seen him since the accident? On pretty good terms with him, eh?"

"Oh, yes. I wouldn't quarrel with Mr. Devlin for anything."

"No? I see. Well, you don't have to. We'll claim against the insurance company. Somebody's got to pay for these accidents. I think I'll go and see Devlin. Might simplify the case. I'll want the name of his insurance company and some other details. Must live next door. Number is 545."

"Oh, yes, just the other side of that shrubbery. Just follow the path," directed the woman, smiling.

"Hm! Don't you have fences down this way?" asked the man. "Don't need them," she said. "You'll see the number, 545, on the house. Don't fail to come back and tell me what he thinks of lawsuits."

He came back in a rage. She thought he would. She had stood behind the closed door to watch. "That number," he choked. "No, 545 is just a big doghouse. A mastiff on a chain made for me when I looked at the number."

Mr. Devlin came into the hall at that moment.

"Sorry, Mr. O'See," he grinned. "This lady has a lively sense of humor—in fact we both have. She probably misled you by giving you her maiden name. We've been married a year."

O'See tapped his head a couple of times and departed muttering. (Copyright Wheeler Newspaper Syndicate)

## DANGEROUS HANDS

People who handle food should keep their hands thoroughly clean. Hands should be washed immediately before touching the food. If the handler coughs or sneezes, a disposable tissue should be held before nose and mouth and the hands washed before continuing with the cooking or serving job. Germs of colds or other ailments can be passed on by soiled hands, carrying the infection to other people.

## Fanny and Otherwise

Seven Scotsmen, all fellow workers, made a mutual agreement whereby one of them would buy the paper each day and read it at lunch hour to the other six.

For this they paid him each a penny. The paper cost him three cents, so he made three cents profit. And the other six, in effect, saved their eyesight and two cents apiece.

Irish corporal: "That's how 'twas the bullet went in to my chest and came out me back." Newsman: "But how did it miss your heart?" Irishman: "Me heart was in me mouth."

Asking a woman her age, is like buying a second hand car; the speedometer's been turned back, but you can't tell how far.

The rider of a bronc at the rodeo was having a tough time of it hanging onto the bucking steed. The animal, while tossing about wildly, caught his foot in a stirrup. The rider was heard to mutter, "All right, if you're getting on, I'm getting off."

A man, upon arrival of a new heir in his household, placed two cigar boxes on his desk. The one box was full of cigars, and bore a hand-painted sign reading "It's a Boy! Holy Yourself!" The other box was empty. The accompanying sign read: "It's the 6th one. Help me! All donations gratefully received."

A colored man was brought before a police judge charged with chicken stealing. He pleaded guilty and received sentence. Then the judge asked how it was he managed to lift those chickens right under the window of the owner's house when there was a dog in the yard.

Negro: "Hit wouldn't be of no use, judge, to try to explain dis thing to you all. If you want to try it, you like as not would get your hide full o' shot an' git no chicken neither. If you want to engage in any race, judge, you better stick to de bench, whar yo' am familiar."

REGINA. — An international airstrip along the Saskatchewan-Montana border was officially opened Sunday, June 12, at the East Poplar, Saskatchewan port of entry.

The airstrip, 3,000 feet long and 120 feet wide, will be large enough to handle any aircraft up to a medium size twin-engine plane.

The airstrip is within 20 yards of both the American and Canadian customs houses. One of the advantages in having such an airstrip is the fact that both customs offices can be cleared in one landing, Mr. Barton said.

The new border airstrip is expected to do a lot to encourage the air travel of Americans into Saskatchewan. Many of the inconveniences which formerly hampered pilots of private planes in coming north of the border will now be eliminated.

The airstrip is the result of a recommendation of the International Northwest Aviation Council which met in Vancouver in September of last year. Montana State Aeronautics director Frank Wiley, was the American official instrumental in having the airstrip constructed.

The Saskatchewan Air Ambulance Service was represented at the opening with a plane piloted by the supervisor, D. N. Campbell. Fred Nagel, instructor at the Regina Flying Club, and municipal and urban officials in Saskatchewan towns in the vicinity have also been invited to attend.

Saskatchewan has another international airstrip located at the Estevan highway border port.

In the year 1954 the Canadian population increased by 27 per cent.

## Alberta Golden Jubilee Anthology by 100 authors

The Alberta Golden Jubilee Anthology is a significant cultural event. Contained within its gold and green covers, in articles, fiction and poetry, is the work of approximately 100 Alberta authors and more could have been included if the plan of the book had permitted.

The Anthology is divided into seven sections. The first four present the story of Alberta in a series of impressionistic pictures. "The Romance of Yesterday," the first section, describes Alberta up to 1905, including the Indians, the first white men, the arrival of the Mounted Police and the stories of early missionaries, ranchers and farmers.

The period from 1905 to 1945 is described in the second section, "Our Changing Year." The Alberta of today, its education and health services, its hunting and fishing, its parks, art, music and drama are portrayed in the third section, "The Alberta Scene."

The Golden Decade  
No description of any province would be complete without a glimpse of the economic structure and "The Golden Decade," the fourth section, provides this. Section four tells of ranching and farming, of the great natural resources, of oil and natural gas, and the industries, old and new.

In the first four sections, there is a dramatic and colorful view of the Alberta of past, present, and future, with the courage, optimism and pioneering spirit of the people connecting all with a strong theme. Obviously, no detailed descriptions of Alberta could be presented in one volume but the articles cover the highlights of Alberta's greatness.

In appearance, the Anthology is attractive. Its cover has a spine in gold foil and the title is gold on a dark green background. It contains 12 color photographs, 16 half-tone photographs and full-color reproductions of the eight prize-winning paintings by Alberta artists. The appearance is further enhanced by a number of full-page illustrations as well as 50 chapter-heading illustrations by H. G. Glyde, R.C.A. The type has been selected for easy reading.

Since 1922, nine areas of Saskatchewan covering more than 1,000,000 acres, have been set aside as provincial parks.

## You can't go ALL-OUT

If you feel ALL-IN

These days most people work under pressure, worry more, sleep less. This strain on body and brain makes physical fitness easier to lose—harder to regain. Today's tense living, lowered resistance, overwork, worry—any of these may affect normal kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest, that "fired-out" heavy-headed feeling often follow. That's the time to take Dadd's Kidney Pills. Dadd's eliminate the kidneys to normal action. Then you feel better—sleep better—work better. Ask for Dadd's Kidney Pills at any drug counter.

## Town of Coleman

Take notice that the Council of the Town of Coleman proposes to pass a by-law in accordance with the provisions of Section 85 of the Town and Rural Planning Act, 1953.

The proposed by-law is required for the purpose of amending the Zoning By-Law of the Town of Coleman in so far as it effects:

### Erection of Certain Signs on the East and West Ends of Fourth Street within the Town Limits

A copy of the proposed by-law is deposited at the office of the Secretary Treasurer and may be inspected there at all reasonable hours.

AT 7.00 p. m. ON THE

**19th day of July, 1955**

the Council will hold a public hearing at the Council Chambers at which objections to the proposed by-law may be made and discussed.

Dated this 24th day of June, 1955.

T. A. COLLISTER  
Secretary-Treasurer

## Coleman Ravens Back On Winning Streak

After three straight defeats to Cardston and Taber, the Coleman Ravens went on a win-spree by defeating Fort Macleod three straight Sunday, June 26. On June 12 the local squad split a double header in Waterton against Cardston. The first game saw the boys come from behind to defeat Cardston seven to six. For the second game an estimated 25 errors cost the boys a 17-4 shellacking.

Hoping to have rid themselves of a bad game, the Ravens hopefully took to the field in Coleman against Taber Sunday June 19 only to find that errors were to plague them again. Taber took both ends of the double header 13-3 and 14-6. For the first game, all of Taber's 13 runs were unearned.

This past Sunday, hungry for a win, the boys well made up for their loose play in previous games. In the first game Robert Rypien held the Fort Macleod Chiefs to three hits while Coleman collected seven hits to win 4-2. Rypien struck out eleven while walking nine.

The next two games were each called at the end of five innings to allow for time. The third game was necessary to make up for the game not played in Coleman when Coleman squeezed out a 5-4 win over Fort Macleod. For both games Tymchyna went the route pitching inspired ball. He held Fort Macleod at one hit while striking out nine. Meanwhile the Ravens picked up four runs on four hits to take the game 4-0. A hit, an error and three more consecutive hits, including a double by Allan Tomlins accounted for all of the four runs in the third frame.

The third game took six innings to break a scoreless deadlock. Tymchyna scattered

four hits while striking out three and allowing two runners to reach third base. The locals picked up eight hits. The game broke up in the last half of the sixth inning when Ferret led off with a single. Makowichuk, who had gone hitless all day came through with a triple to center field and gave the Ravens a 1-0 win.

### SUMMARY—

First Game—  
Coleman 7 hits, 4 runs  
Fort Macleod 3 hits 2 runs  
Second Game—  
Coleman 4 hits 4 runs  
Fort Macleod 1 hit no runs  
Third Game—  
Coleman 8 hits 1 run  
Fort Macleod 4 hits no runs  
The Ravens have now won eight games while losing four for a .666 winning average.

## East Coleman Ratepayers Join Coleman in Jubilee Celebration

At a regular meeting of the East Coleman Ratepayers held Sunday June 26th, it was unanimously decided that the East Coleman Jubilee grant be turned over to the Coleman Jubilee Committee to be spent on the Flummerfelt Park.

## Princess Patricia's Canadian Light Infantry Band

This is the Regimental Band of the P.C.C.I. and has a long and interesting history. It was originally formed in 1916 during the 1st World War and in one form or another has been in operation ever since.

Its present Director of Music is Captain F. M. McLeod who is a graduate of the Royal Military School of Music, Kneller Hall, England, and has been with the band for the last two years, after completing a tour of three years as Command Director of Music at Western Command, Edmonton.

The band has, at present, a strength of 50 members, which include many accomplished soloists on various instruments. It includes many musicians recruited from the Guards bands of the British Army and some excellent musicians from Holland.

During the last two years the band has been very busy covering all important events from Victoria to the Yukon and all Alberta. Some of the more memorable occasions were the British Empire Games at Vancouver last year, a tour of the Yukon area, opening of Parliament in Victoria and Edmonton, the Pacific Northwest Exhibition in Vancouver, and has just finished taking part in the Annual and impressive ceremony of Trooping the Colour with its home battalion in Calgary.

It is booked for the Kelowna Regatta in August and a return engagement at the Exhibition in Vancouver.

The band also includes a 15 piece dance orchestra and also two small dance band units.

It is the aim of Captain McLeod to give the utmost variety of music on all programs so as to try to please every taste and also display the versatility of his musicians. Also featured are instrumental solos such as xylophone, trumpet trios, etc.

The P.C.C.I. Regimental Band will perform in Blairmore on July 23, 1955 at the Blairmore Bandstand and if weather is poor such as rain, etc., it will be held in the Blairmore Ball Park.

## Harold Morency, Jim Turner Finals Willow Valley Trophy

WILLOW VALLEY — The Willow Valley Gun Club held their annual shoot Wednesday, June 22. A cut load of sportsmen, Jim Turner, George Brown, Harold Morency and Molly Morency, all of Blairmore, spent the day at the shoot. Small bore rifle, large bore rifle and shot gun competitions were held for the trophy and money prizes.

In the trap shoot competition the field narrowed down to four, Sekella, Turner, Morency and Simpson. To remain in the finals it was necessary to shoot five for five with a miss eliminating the marksmen. Sekella was the first

to be eliminated, followed by Simpson, leaving Jimmy Turner and Harold Morency to battle it out for the trophy and money. Harold finally beat out Jimmy to become the first Pass holder of the new Willow Valley Trophy. The championship was held by Mr. Simpson of Pincher Creek last year.

The party from Blairmore were unanimous in their opinions of the fine hospitality shown them and were informed that many of the Willow Valley Gun Club are anxious to attend the next shoot held in Blairmore by the Crow's Nest Pass Rifle and Gun Club. The excellent shooting by the C.N.P. club members is yet another example of how well the sportsmen from The Pass compare when competing against outside districts. Publicity of this nature will bring recognition to the Crow's Nest Pass and who can stand it more?

## Taber Orchestra Tours Pass in Aid of David Sidor Fund

COURTESY LETHBRIDGE HERALD—BLAIRMORE — The popular Ray Hackett orchestra of Taber visited the Crow's Nest Pass towns Saturday evening to raise money for the David Sidor Fund so that the three-year-old boy may be sent to Mayo Clinic in Rochester, Minn., to have a delicate heart operation. Included in the orchestra are Ray Hackett, J. Langeman, Wally Stone, Mr. and Mrs. Archie Anderson, Lynn Bullock of Utah, Bill Bullock, Len Harding, Gordon Going and Tom Strain.

The band answered an appeal for funds published in The Lethbridge Herald recently and in a generous attempt to help, visited The Pass and turned in the sum of \$150.00 from their appreciated effort. A flat deck truck was arranged for and a piano loaned by the Blairmore Legion, after which the orchestra, aboard the truck, visited all Pass towns spending an

hour in each of the towns.

The Sidor Fund is progressing favorably as many organizations are making contributions towards the pot as well as donations being made by local and out-of-town groups. Organizations that have donated so far are Taber Orchestra \$150.20; Save the Children's Fund Toronto, \$100; Lethbridge Fish and Game Association, \$5; Bodie's Clothing of Taber, \$10; Kinsmen's Club, Coaldale, \$25; Bellevue Emergency Relief Fund, \$100; Bellevue ladies of the United Church, \$10; and a donation of \$4.87 from three Coleman children who built a lemonade stand and sold the drinks in aid of David.

Donations to this fund may be sent to William Pestray, president of the Blairmore Legion, M. D. McEachern of Bellevue or to Harry Jepson, District Legion Zone Commander of Bellevue.

## Pass Man To Stand Trial Higher Court

BELLEVUE — Klass Molema of Bellevue, appeared before Magistrate F. S. Radford of Blairmore this week charged that on or about the 8th day of September 1954 at Bellevue he did corruptly give Herbert Henry Spear, agent of Crosland, Peacock and Company, insurance adjusters, a reward as consideration for showing a favor to Klass Molema, in relation to the business of Crosland, Peacock and Company.

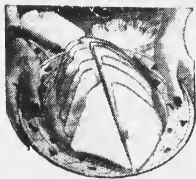

Molema appeared before Magistrate F. S. Radford and committed for trial in the Supreme Court. It would appear from evidence given by five witnesses that the sum of \$200 had been placed in the coat pocket of Herbert Henry Spear, an insurance adjuster, by Molema during the process of adjusting a fire loss. The case arose as the result of a fire in the Molema home at Passburg last Labor Day when the fire partially destroyed the residence.

### Lions Club Hold Farewell Party For Departing Member

A farewell party in the form of a weiner roast was held at Allison's Creek recently in honor of Ray Spillers a high school teacher who is leaving to reside in Dawson Creek, B.C., by members of the Coleman Lions Club.

Lions, their wives and guests were welcomed by President Melvin Dunford. Horseshoes and softball were enjoyed by all present.

A presentation of a wallet embossed with the inscription "To Lion Ray Spillers from fellow Coleman Lions, 1955" was made by Horace Allen who referred to the faithful service in the club for a period of 15 years which had earned the respect of all present. He wished the departing member good luck and peace of mind in his new life.

Mr. Spillers expressed his re-

grets at leaving Coleman and thanked his fellow members for the gift and their fellowship over the years as members of the Club. A sing-song of old favorites was enjoyed around the campfire where weiners and marshmallows were enjoyed.

Lion Rollie was Tailtwister for the evening.

### Blairmore Old Timer Passes

BLAIRMORE—Mrs. Annie McKlusky passed away in Blairmore at the age of 73. She was born in Czechoslovakia, October 28, 1882 and came to Canada in 1904, settling in Fernie. In 1909 she and her husband moved to Burnside where they farmed until 1941, at which time they moved to the Beaver Mines district. In 1950 they moved to Blairmore to reside with their daughter, Mrs. M. Kanik.

Mrs. McKlusky was a member

of the Catholic faith and was predeceased by her husband Martin, 10 months ago.

Survivors include one son John at Blue Ridge, Alta., three daughters, Mrs. M. Kanik, Blairmore; Mrs. Anna Paula, Eckville, Alta.; and Mrs. Katie Leskosek, Beaver Mines; nine grandchildren and two great-grandchildren.

Prayers were said at the family home at 8:00 p.m. Wednesday while Requiem High Mass was celebrated from St. Anne's Catholic Church in Blairmore on Thursday, at 10:30 a.m. Interment followed in the Catholic Cemetery and Rev. Dean A. Anderson officiated.

### Hillcrest Resident Succumbs Following Long Illness

A resident of the Crow's Nest Pass since 1913, Mrs. Angela Colagrosso, 70, passed away in the C.

N.P. Municipal hospital after a long illness.

Born in Sogge, Italy, the deceased came to Canada settling in Coleman in 1913. She and her family resided here until 1918 when she moved to Bellevue where they resided until 1951 when they moved to Hillcrest.

Besides her husband Samuel, she is survived by one son Vichi, and one daughter Mrs. A. Civitarese of Hillcrest, six grandchildren and five great-grandchildren.

Requiem High Mass was celebrated from St. Theresa's Roman Catholic Church in Hillcrest with interment being made in the Holy Ghost Cemetery in Coleman.

### Playground Leaders Course to be Held At Red Deer

To provide Alberta communities with competent playground leaders, a short course will be sponsored by the health and recreation branch of the department of economic affairs at the Red Deer Composite High School June 27 - July 1.

The course will instruct playground leaders in the organization and administration of playgrounds, the conduct of games, handicrafts, drama, singing, storytelling and team sports.

Instructors include Mrs. Anne Goresht, of the city of Calgary recreation division; Herbert McLachlin, of the University of Alberta's physical education department; and Elsie McFarland, health and recreation branch director.

Playground leaders attending the course may follow up the short course with the month-long recreation leadership course, which is being held at the Red Deer Composite High School July 4 - 30, although enrollment in the longer course is limited. A registration fee of \$1.00 covers board, room and tuition for the playground leaders' course. Application forms are available from the health and recreation branch, room 218, Alberta Block, Edmonton.

### Story of the durable watch

Rockford, Illinois — Mr. Chester Hagen, enthusiastic Sales Representative for eastern Wisconsin and northern Illinois displaying the "Auto Floet" watch. Two months ago Mr. Hagen lost his wrist watch only to find it when he fixed a flat tire for one of his regular customers. The amazing part of the story is that the watch was still running after it had been in the tire for two months and had run nearly 8,000 miles. The air pressure inside the tube had pressed the plastic crystal against the hands stopping the watch until the tire went flat allowing the watch to start running again. Mr. Hagen said that the local T.V. station at Rockford, Illinois, asked permission to tell the story and show the watch on their regular program, so it has become a very popular watch.

## Step in late for more power in your hitting

One of the secrets of hitting the ball hard is to postpone your step in toward the ball as long as you can. Most ball players step forward too soon and thus hit the ball with only the strength of their arms because their body has stopped moving forward. To get maximum power make that step into the ball as late as possible so that your whole body will be behind your swing.

### Don't understate the job

Whenever the average tennis player has to run hard to get a ball that has been well placed and out of reach, usually his only thought is to get the ball back over the net, which he returns harder than usual.

When returning a shot that has forced you out of position the best plan is to use a lob. Place it as deep in your opponent's court as possible. Only return a shot of this type hard when your opponent is out of position.

Remember, whenever a placement from your opponent draws you well out of position use a high lob since such a shot will give you lots of time to get back into position.

## WEEKLY BIBLE COMMENT

### JESUS OFFERED NEW VALUES FOR OLD CONCEPTS

One cannot read far into the New Testament without realizing the great extent to which Jesus challenged many of the attitudes toward living which now, as then, prevail.

Ambition, the desire to get ahead of others, the lust for power; all these motives that so strongly influence men were present even among the Twelve Apostles.

The rich farmer, whom Jesus described in a parable, was a typically successful man. He did what almost every successful man would do; planned for bigger things, planned to pull down his barns and build larger ones, planned to enjoy the fruits of all that he had built up.

But Jesus challenged such a conception of success. For one thing, he pointed out its false economy. The man had left out the most important thing of all, his own life. But he had also left out the more important spiritual factor—he hadn't been rich toward God. And such men are legion.

It should be noted that the challenge of Jesus to what might be called dominant worldly attitudes and ways are not negative. Over against these, Jesus sets positive, constructive conceptions of a more abundant life.

What Jesus' teachings emphasize is a set of different values. How great these values are and how thoroughly the challenges of Jesus are vindicated, can be seen in the lives of those who have been conspicuous in giving, in contrast with those whose chief aim has been getting.

It is indeed more blessed to give than to receive.

## On The Side: E. V. Durling

In addition to the boos and Bronx cheers losing jockeys get at the track, they also receive complaints by mail. That great jockey, George Woolf, once received the following letter from an indignant feminine horseplayer: "My beautiful wrist watch is now in the pawn shop. Why? Because you lost the fifth race yesterday on the favorite, Shame on you!" Mr. Woolf, a very gentlemanly and highly intelligent fellow replied, "Dear Madam, there are 67 ways the favorite can lose a horse race. Over 62 of these a jockey has no control."

### Extending age limit

People past 40 who want to look young and feel likewise should stay in bed one full day in each month. "That's what the experts on the subject maintain. It is also advised that seekers of an extended period of youth should wear young looking clothes, sleep in the raw, get nine hours of slumber nightly and fast one day in each month."

### Forgotten feat

"Babe" Ruth's great record as a home run hitter has caused some of his remarkable achievements as a pitcher to be forgotten. "Babe" when pitching for the Boston Red Sox once struck out Ty Cobb, Sam Crawford and Bobby Veach in succession. That was when that trio of heavy hitters was known as "murderers' row."

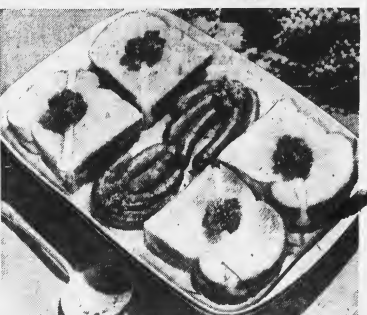

### Pork pays off

Ten thousand dollars for a pig. That's the price recently paid in England for a prize porker bearing the fancy name of Landrace Bluegate. Pig breeding can be a highly profitable enterprise. The "Landrace" breed of piglets can bring from \$1,000 to \$2,800 right after birth. Sir Winston Churchill goes in for a bit of pig breeding at his country place. So does Don Cockell, the heavyweight boxer.

### A popular combination

The idea of the frankfurter and roll, including the popular shape of the roll, originated in Germany. It was first introduced to the U.S. in Brooklyn by Charles Feltman in 1873 at his Coney Island restaurant. However, Ted Dorn, brilliant cartoonist did more to popularize the frankfurter and roll than Feltman. When it was introduced at sports events, Dorn nicknamed the combination "the hot dog."

## APPETIZING RECIPES

### CINNAMON-APPLE TOAST

3 tablespoons soft butter  
8 slices white toast  
1 teaspoon ground cinnamon  
2 cups applesauce (hot)

Combine sugar and cinnamon, sprinkle about a teaspoon of the mixture over each slice of buttered toast. Place cinnamon toast on an ungreased cookie sheet.

Heat in a moderate oven (350 degrees F.) for five minutes. Heat applesauce. To serve: Spoon ½ cup of hot applesauce over 4 slices of cinnamon toast.

Cut remaining 4 slices of cinnamon toast in half, diagonally, and arrange over applesauce. Serve with pork sausages. Yields 4 servings Cinnamon-Apple Toast.

## Hobbys for civil defence

With the increase in civil defence organization all over Canada, more and more people are volunteering for training. Many of these find that some hobby of theirs fits in somewhere in the organization. The radio "ham," the well trained first-aid, the person who has had responsibility in camps, organizing outdoor or indoor meals for large groups, and many other skills gained in recreation or occupational experience, can make a valuable contribution to civil defence.

Hogs trample and eat any snake they see. Their thick layer of fat protects them from had effects of poisonous bites.

## CHEMICAL FUMES

When using cleansing fluids, paint or other such chemicals, be sure to have good ventilation—better still, do the job out of doors. Such chemicals as carbon tetrachloride, if used in a closed room, may actually cause death, unless the fumes are dispersed. Open windows and doors to provide cross ventilation, for safety's sake.

### Mrs. N. Fleming Honored Prior To Departure

Mrs. N. Fleming who left Thursday to take up residence in Victoria, B.C., was guest of honor on several occasions prior to her departure.

Tuesday afternoon members of the Minerva Chapter met at the home of Mrs. J. Colewell when afternoon tea was served. Mrs. N. Bayon another member who is leaving to reside in Lethbridge was also honored on this occasion. Following tea Mrs. F. Guernard on behalf of the chapter presented them both with a gift, wishing them every success in their new homes. The two members ably thanked their friends.

Tuesday evening Mrs. Fleming was guest of the bridge club of which she was a member. It was held at the home of Mrs. Melvin Cornet where four tables of bridge were played. Honors went to first - Mrs. Miller Fleming, second - Mrs. Neil Fleming and consolation Mrs. H. Nelson. Mrs. M. Cornet presented a gift on behalf of her friends wishing her Godspeed. A hearty lunch was then served.

Wednesday afternoon a tea with Mrs. T. Holstead and Mrs. J. Nash as joint hostesses was held at the Nash home. Mrs. Nash presented Mrs. Fleming with a lovely gift on behalf of the assembled friends. Mrs. Fleming thanked her friends and expressed her regret at leaving.

Both Mr. and Mrs. Fleming are Coleman natives having received all their education in Coleman Schools. They feel they will miss all their old friends here very much.

### Departing Minister Wished Godspeed by Congregation

Sunday evening following the regular services a fireside service was held by the congregation of St. Paul's United Church in the club rooms. Singing of favorite hymns by the assembly under the leadership of J. Owen was enjoyed.

Mr. Horace Allen presented Mrs. G. Cousins, organist and Mrs. A. Hill with gifts in appreciation of the work done by them and expressing the sentiments of the congregation by paying tribute to their musical ability and interest in the church which combined faithful service had produced

some very fine choirs.

Reverend and Mrs. Blair McPherson, who are leaving to take up a new post in Ottawa, were then asked to come forward. Mr. Allen addressing them, paid tribute to the ministry by stressing the high requirements needed in dealing with human nature, being the spiritual leaders and teacher of the people and in performing the tasks of counselor and comforter. He also stated that the future of the church was in good hands when they were men like Mr. McPherson in the ministry. The couple were then presented with a brief case and a picture of the Crow's Nest Mountain.

Mr. McPherson thanked the congregation in a sincere and heartfelt manner.

A short program of piano solos by Mrs. A. Hill, vocal solos by Rev. Roy Chubb and Mrs. G. Cousins was greatly enjoyed. A delicious lunch was served by Mrs. B. Bond and Mrs. J. Nash.

It takes a couple of minutes to extinguish a campfire in the woods; it needs five to ten seconds to snuff out lighted tobacco and matches; but it requires from fifty years upwards to replace the settled countryside that pays the price of personal recklessness.
